MEMORANDUM OF CHIEF JUDGE W W ISAAC

Chief Judge

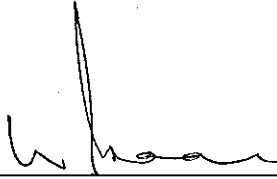

[1] On 30 October 2013, I held a teleconference with Counsel Aidan Warren for the Applicant, and John Kahukiwa for the Respondents.

[2] The reason for holding the teleconference was to determine how the application would be progressed.

[3] Following discussion, both Counsels agreed that no further submissions were required and a decision could be made on the submissions and evidence that have been filed.

[4] On this basis a decision will now be issued.

[5] The Case Manager is to send a copy of this minute to all parties.

A handwritten signature in black ink, appearing to read 'W W Isaac', written over a horizontal line.
